## BUSINESSES CAN TAKE ADVANTAGE OF IRS S-179 TAX CREDITS ON EQUIPMENT PURCHASES.

CONTACT YOUR CPA FOR DETAILS.

### What is the S-179 Tax Credit?

Section 179 of the IRS tax code allows businesses to deduct the full purchase price of qualifying equipment and/or software purchased or financed during the tax year. That means that if you buy (or lease) a piece of qualifying equipment, you can deduct the FULL PURCHASE PRICE from your gross income. It's an incentive created by the U.S. government to encourage businesses to buy equipment and invest in themselves.
